

ISG web

INTERNET SERVICE GATEWAY

PRODUCT-NO.: 229336

A matching programming unit is now available for our advanced heat pumps. Using your tablet or desktop PC, you can operate your heat pump, make settings, and access the new SERVICEWELT. If you wish, you can access your system via your smartphone or simply check that everything is running smoothly. The Internet Service Gateway is your entry into the new SERVICEWELT of STIEBEL ELTRON, which will gradually be expanded to include new services and appliance links.

The main features

The internet service gateway as a web interface

Can be connected to the router of the home network

Device settings with your standard browser via an integral web interface

Communication with the STIEBEL ELTRON customer service centre

Option to control the system via a smartphone web app

Type	ISG web
Part no.	229336
